Children of the Holocaust Note taking Sheet

Child's Name ___________________________________________

Describe in general what the life of your child was like before the war. (family members, parents’ occupation, what the city/town/village was like, etc.)

What was the Nazi occupation like for your child? (did they try to hide, move to another country/city, were they sent to a camp or a ghetto, were they part of a roundup, etc.)
How did your child’s story end? (did they die, disappear, survive… what about the family?)

Further research: Use the Holocaust Museum Website and DISCUS to do your research. You may also use the websites provided on your class page.

If a camp, ghetto, roundup, or particular city is mentioned in your child’s biography find additional information about it. For example you could write more information about the Warsaw Ghetto, or what it was like for children who lived in hiding.

Citations- Make sure to copy and paste citations on a page titled “Works Cited.”

DISCUS resources will give you the citation, if you use any other source, use EasyBib to create your citation.
